

# Islam – The Greatest Liberating Force

by Muqith Mujtaba Ali

*Islam has come to this world*

***TO LIBERATE...***

*Humanity from worshipping anyone & anything other than Allah*

*Nations from the tyranny of the likes of Pharaohs and Bushs*

*Man from the slavery of man*

*Women from all sorts of exploitation*

*The weak from the oppression of the strong*

*The mind from polytheistic cobwebs*

*The tongue from false utterances*

*The body from selfishness*

*The soul from whims and fancies*

*The worshippers from the clutches of priests*

*Societies from social ills & spiritual supermarkets*

*The Political System from the bottomless 'sovereignty' of man*

*Science from fiction*

*History from concoction*

*Reality from superstition*

*Animals from Human cruelties*

*Economy from the curse & disgrace of interest*

*The glory of Islam's purpose continues.....*

# *Islam has come to this world to free...*

*Humanity from darkness with light*

*The desperate with hope*

*The orphans with care & comfort*

*The destitutes with charity*

*The wanderer with direction*

*The confused with consolation*

*The hate-filled with love-instilled*

*The widows with protection*

*The downtrodden with dignity*

*The sinner with forgiveness*

*The brutalized with mercy*

*The barbaric with civilization*

*The ignorant with knowledge*

*The wronged with justice*

*The oppressed with compassion*

*The insane with kindness*

*The misled with clear directions*

*The agonized with peace*

*And above all,*

*Islam's purpose is ....*

*To liberate TRUTH FROM FALSEHOOD, and  
to free the world from the misery of lawlessness  
with DIVINE GUIDANCE*

The author wrote this article way back in 1988 and was published in a couple of Islamic magazines. It is presented here as a sort of reminder to the author himself and to all Muslim brothers and sisters as 'Reminding benefits the Believers'.
